Step 1: Identify the property

Line 4 — Write the dimensions (square footage) or acreage of this property. **Attach a plot plan of each building's location and use of the property.**

Line 5 — Write the date on which ownership began. **Attach a copy of proof of ownership (deed, contract for deed, or title insurance policy, etc.).**

Line 6 — Check the relevant hospital entity—hospital owner, hospital affiliate, or hospital system. If you check “hospital affiliate” or “hospital system”, describe the type of entity (e.g., corporation, partnership, limited liability company) and the relationship with one or more hospital owners.

Definitions

Hospital - Any institution, place, building, buildings on a campus, or other health care facility located in Illinois that is licensed under the Hospital Licensing Act and has a hospital owner.

Hospital owner - A not-for-profit corporation that is the title holder of a hospital, or the owner of the beneficial interest in an Illinois land trust that is the titleholder of a hospital.

Hospital affiliate - Any corporation, partnership, limited partnership, joint venture, limited liability company, association or other organization, other than a hospital owner, that directly or indirectly controls, is controlled by, or is under common control with one or more hospital owners and that supports, is supported by, or acts in furtherance of the exempt health care purposes of at least one of those hospital owners' hospitals.

Hospital system - A hospital and one or more other hospitals or hospital affiliates related by common control or ownership.

Step 2: Provide information about exemptions or applications

Follow the instructions on the form.

Step 3: Provide the following about the services and activities for the relevant hospital entity

Line 9 — Check whether the figures for services and activities you will enter on Lines 11 through 17 are for the hospital year or the average of the previous three fiscal years ending with the hospital year.

Hospital year - The fiscal year of the relevant hospital entity, or the fiscal year of one of the hospital owners in the hospital system if the relevant hospital entity is a hospital system with members with different fiscal years, that ends in the year for which the exemption is sought.

Line 11 — Charity care — Free or discounted services provided pursuant to the Relevant Hospital Entity's financial assistance policy, measured at cost, including discounts provided under the Hospital Uninsured Patient Act. **Attach Form AG-CBP-I.**

Line 12 — Health services to low-income and underserved individuals — Unreimbursed costs of the Relevant Hospital Entity for providing without charge, paying for, or subsidizing goods, activities, or services for the purpose of addressing the health of low-income or underserved individuals. Those activities or services may include, but are not limited to, financial or in-kind support to affiliated or unaffiliated hospitals, hospital affiliates, community clinics, or programs that treat low-income or underserved individuals; providing or subsidizing outreach or educational services to low-income or underserved individuals for disease management and prevention; free or subsidized goods, supplies, or services needed by low-income or underserved individuals because of their medical condition; and prenatal or childbirth outreach to low-income or underserved persons. **Attach a list of identifying activities or services provided.**

Line 13 — Subsidy of state or local governments — Direct or indirect financial or in-kind subsidies of state or local governments by the Relevant Hospital Entity that pay for or subsidize activities or programs related to health care for low-income or underserved individuals.

Line 14 — Support for state health care programs for low-income individuals — At the election of the Hospital Applicant for each applicable year, either

- 10 percent of payments to the Relevant Hospital Entity and any Hospital Affiliate designated by the relevant Hospital Entity (provided that such hospital affiliate's operations provide financial or operational support for or receive financial or operational support from the Relevant Hospital Entity) under Medicaid or other means-tested programs, including, but not limited to, General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children's Health Insurance Program; or
- the amount of subsidy provided by the Relevant Hospital Entity and any hospital affiliate designated by the Relevant Hospital Entity (provided that such hospital affiliate's operations provide financial or operational support for or receive financial or operational support from the Relevant Hospital Entity) to state or local government in treating Medicaid recipients and recipients of means-tested programs, including but not limited to General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children's Health Insurance Program.

The amount of subsidy for purposes of the item is calculated in the same manner as unreimbursed costs are calculated for Medicaid and other means-tested government programs on federal Form 990, Schedule H. Unreimbursed costs shall be net of fee-for-services payments, payments pursuant to an assessment, quarterly payments, and all other payments included on the Schedule H.

Line 15 — Dual-eligible subsidy — This is the amount of subsidy provided to the government by treating dual-eligible Medicare/Medicaid patients. The amount of subsidy is calculated by multiplying the Relevant Hospital Entity's ratio of dual-eligible patients to total Medicare patients by the Relevant Hospital Entity's unreimbursed costs for Medicare (calculated in the same manner as federal Form 990, Schedule H).

Line 16 — Relief of the burden of government related to health care of low-income individuals — Complete Schedule A and attach it and a copy of the CMS 2552-10 Worksheet C, Part 1.

Line 17 — Enter any other activity by the hospital that the department determines relieves the burden of government or addresses the health of low-income or underserved individuals. Clearly specify the service or activity. **Attach all supporting documentation.**
